

BLUE STAR

Mortuary Chambers

Built to last

Mortuary chambers are a vital part of the infrastructure at any leading hospital. They need to be effective and robust to ensure 24x7 operation despite the rough use they are subject to.

Blue Star, India's leading AC&R company with over seven decades of experience, brings you Mortuary Chambers that are rugged, reliable and efficient. Cutting-edge technology and modern components from state-of-the-art factories go into each Blue Star Mortuary Chamber. The use of cyclopentane in the manufacture of the high-efficiency insulation panels makes them eco-friendly as well. And Blue Star refrigeration equipments ensure maintenance of desired temperature and humidity at all times.
