DISPLAY-AND-STORE SOLUTIONS

VISI COOLERS FROM BLUE STAR.

There is no smarter way to preserve and display your products at the same time. Blue Star's vertical storage Visi Coolers are specially designed to cool products uniformly and meet the demands of commercial businesses such as supermarkets, departmental stores, kirana stores and restaurants. So, while their heavy-duty compressors cool quickly even in harsh Indian summers, the ample visibility of your products ensures quick profits too.

WHY A VISI COOLER AND NOT A REFRIGERATOR?

Refrigerators are essentially designed for home applications. There is no option for displaying merchandise and their small compressors are incapable of handling large loads. Visi Coolers, on the other hand, enable you to attractively display your products for customers to choose conveniently. They also have double the capacity and can save upto 50% on your power bills.
