

BLUE STAR

Sophisticated purity for
your modular kitchen.

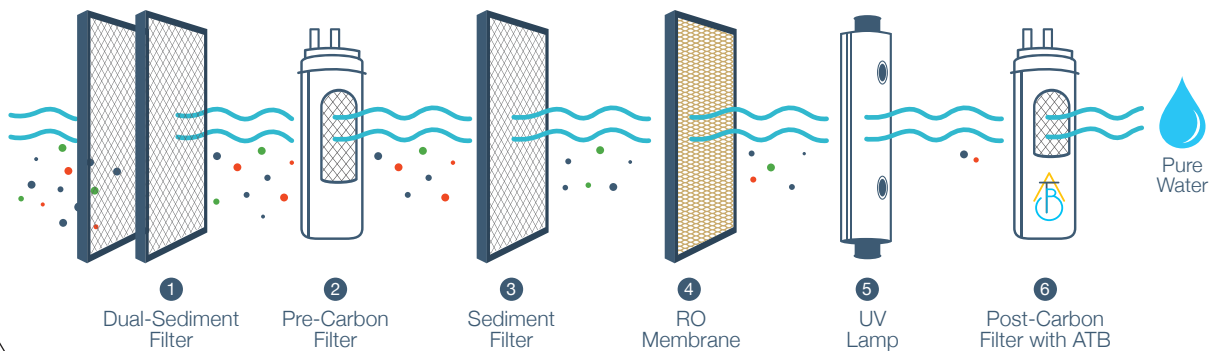

Adora

RO+UV Under-the-counter
Water Purifier

Adora from Blue Star

Blue Star, India's leading air conditioning and commercial refrigeration company brings you Adora - a compact and stylish RO+UV under-the-counter water purifier. Having quenched the thirst of billions with its range of water coolers and dispensers for over seven decades, Blue Star now introduces RO+UV under-the-counter water purifier which will help you keep your kitchen clutter-free while saving space and yet ensure pure drinking water at all times. It comes with a hydrostatic pressurized tank coupled with a RO+UV purification system placed under your counter, and an elegant and stylish Stainless Steel goose-neck faucet on your kitchen platform. Packed with features such as a large 8 litres storage tank, UV fail alert and Aqua Taste Booster, Adora is undoubtedly a sophisticated addition to your modular kitchen.
